Re: ICC Docket No. 04-0310 - Errata *to Exceptions*

Dear Ms. Rolando:

*confidential in part*

My office sent you a document marked Confidential Exhibit 1 to the Exceptions and Brief on Exceptions of the People of the State of Illinois and the Citizens Utility Board in ICC Docket No. 04-0310 for delivery on Wednesday, October 13. We sent that document separately from the Exceptions and Brief on Exceptions because we did not have it in electronic form and lack the capacity to convert a document of that size to pdf. The other documents relevant to the Exceptions and Brief on Exceptions were filed on e-docket on October 12, 2004 (yesterday).

We also want to emphasize that the entire exhibit is to be treated as confidential, as required by the Administrative Law Judge. Although there are redactions, the document must still be filed under seal.

If you have any additional questions, please do not hesitate to contact either of the undersigned.
